Floodplain Development Permit

Village of Suffern Local Law No.14 of 2013

Village of Suffern Permit No. _____

Property Owner: Newco Suffern Holdings, LLC

Property Address: 25 Old Mill Road, Village of Suffern, Rockland County, NY

Section: 55.22 / 55.37

Block: 1 / 1

Lot: 1 / 31

Floodplain Development Description:

The project includes the construction of three (3) industrial warehouse buildings with associated loading bays, parking areas and general site improvements.

Minor disturbance within the delineated 100-year floodplain located mainly in the western section of the property is proposed as part of the construction activities. All site features and structures will be located at an elevation higher than the base flood elevation (Elev. 303) as depicted in FEMA map 36087C0132G.

Refer to Preliminary and Final Major Site Plan enclosed with this application for additional details and limit of disturbance within the floodplain.

Paid: Yes No
